

DAC Program Report
January 2010

June Camp Committee met in December. The theme this year is "Highland Games". The movie will be Friday night. Also Chief Scout and Queens Venture Awards. Planning is ongoing.

Attended VAF meeting Jan 5 at HQ. Feed back from the Rovent people was that they still want the whole camp for Rovent but we still have it booked. We may exchange fields with Rovent. This year there is an international Scouting conference in Ottawa that week and there are plans to visit Ope. Odawa Scouts want to be showcased to these folks, so we will keep our booking at Ope in case the visit does happen.

Attended Troop Scouters meeting Sat Jan 9.

Attended Old Wolves meeting on Sunday Jan 10. I would like to see more participation but we need to promote it more.

Attended Council AGM January 16 at HQ.

Section visits. 1st Orleans Pack and Troop, 3rd Orleans Pack and Troop, 4th Orleans Phoenix Troop, 8th Orleans Troop, 1st Cumberland Colony and Pack, 14th Gloucester Land Troop and D Pack, 1st Rockland Troop and 1st Clarence Colony, Pack and Troop.

Sherri and 4th Orleans have the Beaveree/Cuboree well in hand.

I have accepted a position with Voyageur Council as DCC - Program and will continue to do both jobs in the short term.
