

# ODAWA AREA FALL CUBOREE 2010

**September 24 - 26, 2010**

**Cost: 18.00 per participant**  
food not included

## **Round Robin Activities:**

Calling all Witches, Werewolves and Cubs! It's time to make your Hallowe'en Masks for Trick-or-Treating at Camp!

Show your crazy creative Hallowe'en spirit by Building the Scariest; Funniest, or Weirdest Scarecrow at camp! Bring what you need to create and transform your stuffed scarecrow! (Some materials will be supplied - more information later)

Bring out your Sweet Tooth for the making of your very own Caramel Apples! The yummiest Hallowe'en snack of them all! (There may be toffee pulling too!)

Step right up, it's time to Mummify your Akela (leader)! This is a timed event and the toilet paper will be provided... along with the silly string!

## **Out side of Round Robin:**

### **Leader Activity:**

Show some leader talent and creativity with the Leader Pumpkin Carving contest. There will be prizes for the funniest, scariest and most imaginative pumpkins!

### **Campsite Decorating Contest:**

Each group is encouraged to show their Hallowe'en Style by decorating their campsites to reflect the All-Hallows-Eve mood for camp! The best decorated site will win a prize! Boo!

### **Trick-or-Treating:**

Take out your grab bags (provided by the camp committee) and head out around camp for some yummy treats! Not-so-much-Tricking but lots of Treating will take place as the sun goes down at camp. Make sure to wear your costumes! Each group should have some treats to give out as the Ghosts and Ghouls come around to each campsite. (Please remember the camp is Peanut-free)

### **Ghostly Campfire:**

No day at camp is complete without a campfire.... especially a haunted one! Ahhhhhhhhh!!!!
